

EVANS

Enhance™ Ultra high solids floor polish

- Premium metallised emulsion floor polish for prestigious areas.
- Dries to an extra durable, brilliant wet look, slip resistant finish.
- Excellent levelling properties for easy application and to ensure a smooth even finish.
- Extremely scuff resistant to make it easier to clean & maintain.
- Superior response to high & ultra high speed burnishing.
- Suitable for most hard floors including vinyl, rubber, linoleum, terrazzo & sealed surfaces.
- Ideal for very heavy traffic areas.
- Coverage per 5lt - 400/500 sq. mtr for 1 coat.
- Pack size: 2 x 5 litre. Order code: A098EEV2

HOW TO USE

Ensure floor is clean, dry & neutral.

Use undiluted.

Pour polish into clean bucket or tray, alternatively pour directly onto the floor in a thin line.

Place clean mop or applicator into polish and spread thinly and evenly in WEST to EAST direction.

Leave to dry for approximately 30 minutes.

Apply a further coat of polish thinly & evenly at right angles to first i.e. NORTH to SOUTH. Leave a 10cm gap at the floor edge to avoid a build up.

Leave to dry for approximately 30 minutes.

A third coat may be required in heavy traffic areas or on old or worn floors.
