

EVANS

Glaze 5 in 1 Dishwasher tablets

- Formulated to remove difficult foodstuffs to ensure crockery, cutlery & glassware are left sparkling, clean & bright.
- The rinse aid additive ensures a brilliant shine on glassware.
- Built in salt action to leave leave crockery spotless & also keep the machine clean.
- A glass protection agent protects against the effect of corrosion keeping glassware looking newer for longer.
- Leaves stainless steel items with an extra sparkle.
- Each tablet is individually wrapped & contains a fresh lemon perfume.
- Suitable for all manually dosed dishwashing machines.
- Pack size: carton of 100 tablets, 8 cartons to an outer box. Order code: C021AEV

HOW TO USE

Remove scraps of food from crockery & rinse heavily soiled articles before loading into the dishwasher.

Do not use a pre-rinse programme.

LOADING & EMPTYING THE DISHWASH MACHINE:

- ALWAYS** stack larger plates & pans at the back of dishwasher to make it easier to fill the front with smaller items.
- ALWAYS** ensure glasses & cups are stacked leaning upside down so they are cleaned properly & do not collect water.
- ALWAYS** stack cutlery & utensils in the basket with the knife blade pointing downwards.
- ALWAYS** empty the lower basket first to overcome the possibility of wetting the clean items with water from the rotary arm.
- ALWAYS** rinse the filter on a regular basis to ensure it is clean.
