POWER BURST

LABEL INSTRUCTIONS

Product Description & Directions for Use:

A powerful, high performance alkaline detergent pre-spray for pre-cleaning heavily soiled commercial carpet. Ideal for greasy restaurant carpets and traffic lanes where there is a high build up of grease, oil, fats, food and protein soils.

For professional and industrial use only.

Mix 15ml (1 measure scoop) of Power Burst per litre of hot water (1 to 66) (maximum temperature 65°C).

For injection sprayer, mix 45ml (3 measure scoops) of Power Burst per litre of hot water in the sprayer container.

Always pretest carpet for colour fastness with ready-to-use solution before proceeding.

Apply diluted solution by sprayer then agitate with carpet pile brush.

Allow to react with soil for 5 to 10 minutes then extract with B109 Fibre & Fabric Rinse or Prochem extraction detergent.

Do not allow pretreated areas to dry before extracting.

Always rinse with B109 Fibre & Fabric Rinse on Wool and Wool-mix carpets.
