DRY BLEND

LABEL INSTRUCTIONS

Product Description & Directions for Use:

Dry Blend Carpet Cleaner is a specially formulated powdered detergent for use in carpet soil extraction machines. Dry Blend is suitable for use on most types of carpet, subject to proper pre-inspection and colour testing.

For professional and industrial use only.

Mix 15ml. (1 measure scoop) of Dry Blend powder per 5 litres of hot water in the machine solution tank.

Always pretest carpet for colour fastness with ready-to-use solution of Dry Blend before proceeding.

For unstable dyes use B109 Fibre & Fabric Rinse in place of Dry Blend, subject to testing.

Pretreat heavily soiled areas and spots with S709 Multi Pro according to label directions.

For excessive foam from previously shampooed carpets, add S760 Liquid Defoamer to the machine recovery system.

- Powdered detergent carpet cleaner for carpet soil extraction machines.
- Economical commercial extraction detergent, for use on synthetic carpets.
- Contains water softeners, builders, surfactant and corrosion inhibitor for safe and effective results.
- White powder with lemon fragrance.
