CHEWING GUM REMOVER

LABEL INSTRUCTIONS

Product Description & Directions for Use:

For professional and industrial use only.

Use only as directed.

An aerosol freezer spray product for the removal of chewing gum, sticky sweets and wax from carpets, fabrics and most hard surfaces.

Chewing Gum Remover is ready-to-use. Always pretest carpet, fabric or surface to be treated in an inconspicuous area before proceeding.

For best results, perforate chewing gum with fork or perforator block before application of freezer spray.

Remove nozzle from can before inserting tube. Re-attach nozzle to can and spray onto gum or staining matter for approximately 5 seconds.

When white frost appears, chip hardened gum or matter away from fibres or surface with a blunt knife, then brush or vacuum away. Avoid damaging fibres or surface being treated.

CHEWING GUM REMOVER is an aerosol freezer spray for the removal of chewing gum and sticky sweets etc.

- Can be used on any surface.
- Supplied with discharge nozzle to apply freezer action direct to gum.
- Gum can then be broken away from surface or fibres with a blunt knife.

pH Concentrate: n/a

pH Diluted: n/a
